P2P Global Investments plc

FCA Authorisation

P2P Global Investments plc (the “Company”) is pleased to announce that on 28 October 2016 it received full authorisation from the Financial Conduct Authority (FCA) for its credit-related regulatory activities. The Company had previously operated under the FCA's interim permission regime to conduct consumer credit activities. This authorisation enables the Company to continue to invest in consumer loans in the UK and it is now required to meet certain requirements, including in relation to approved persons, reporting and complaints procedures.
