DIVIDEND DECLARATION

On the 21 April 2016, the Directors have declared an interim dividend of 11.5p per ordinary share for the three month period to 31 March 2016.

The dividend will be paid on 27 May 2016 to shareholders on the register as of 29 April 2016. The ex-dividend date is 28 April 2016.

The Company has elected to designate all of the interim dividend for the period 31 March, as an interest distribution to its shareholders. In doing so the Company is taking advantage of UK tax treatment by "streaming" income from interest-bearing investments into dividends that will be taxed in the hands of shareholders as interest income.

Investors who are eligible to receive the interest distribution without deduction of UK tax should complete the Declaration of Eligibility Form which can be found on the Company's website www.p2pgi.com.

The last date for elections for the Dividend Reinvestment Plan, available on the ordinary share class, is 2 May 2016.
