

P2P Global Investments plc

Dividend Treatment

On 18 November 2014, P2P Global Investments plc (the "Company") announced an interim dividend of 6.0p for the period to 30 September 2014. The Company announces that, as referenced in its IPO prospectus, it has elected to designate all of the payment as an interest distribution to its shareholders. In doing so the Company is taking advantage of UK tax treatment by "streaming" income from interest-bearing investments into dividends that will be taxed in the hands of shareholders as interest income.
