## **P2P Global Investments PLC**

### **P2P Global Investments relationship with peer 2 peer platforms**

- Relationships with Zopa, Ratesetter and Funding Circle confirmed
- P2PGI commences deployment of capital

Following the successful listing of P2PGI plc (the Trust) on Friday 30th May, the manager of the Trust is pleased to confirm its contractual arrangements with Zopa, Rate Setter and Funding Circle, the leading peer 2 peer consumer platforms in the world, have been initiated. The Trust has now commenced deployment of capital and purchased loans with the above platforms in line with its investment strategy.

The contractual relationships with these platforms were contingent on the listing of the Trust being successful and other such relationships are already in place with Crossflow, an invoice financing platform, and, via the Eaglewood Income Fund, Lending Club of the US.
